

Wisconsin's No Call List has improved the quality of my life. FINALLY, consumer law with some teeth and the FCC proposes weakening it? I certainly hope that will not be the case. I am no longer at the mercy of DROVES of telemarketers forcing their unwelcome pitches via a utility which is available in my home because I pay for it, not telemarketing firms using it to intrude upon my privacy. I equate telemarketing calls with a stranger walking into the front door of my home uninvited. I want our law to remain as is. I do not want to be exposed to telemarketing from a business or its affiliates simply because I have had contact with the business. PLEASE put consumers, not big telemarketers, first.
